

OGDCL's Health, Safety, Environment and Quality Policy Statement and Commitment

At OGDCL Health, Safety and Environmental (HSE) responsibilities are integral to the way we operate. In carrying out all our activities, we ensure the welfare of communities, the protection of ecosystems and the safeguard of workforce. We believe that good HSE performance contributes to the business success and as the individual responsibility for Health, Safety, and Environment cannot be delegated, we believe that HSE protection is a shared responsibility across the company.

As OGDCL continues to offer the highest quality of services and products basing its growth on a sound foundation of technical & financial prudence, we will support Health, Safety, and Environment initiatives by:

- *Promoting a positive culture based on improving our HSE performance;*
 - *Complying with all legal and regulatory requirements;*
 - *Maintaining internationally certified HSE management systems;*
- *Eliminating hazards, practices and behaviors that could cause accidents, injuries or illness;*
 - *Implementing controls to eliminate pollution and environmental harm;*
 - *Providing training and resources for staff to maintain safe systems of work;*
 - *Integrating HSE management into all aspects of the organization;*
 - *Employing contractors who aspire to the same HSE standards; and*
- *Reporting publicly and annually on HSE performance, measured against objectives and targets.*

We will continue to address the environmental and health impact of our operations by reducing waste, emissions, and discharges and by using energy efficiently. We strive to be good citizens in every community in which we operate. Through observance and encouragement of this policy, we assist in protecting the environment and the overall well-being of all of our stakeholders, specifically, our employees, clients, shareholders, subcontractors, and communities.
