

OGDCL Scholarship Program for Cadet Colleges of Pakistan

Around the world, educational attainment is pivotal for individuals, societies and is considered as a primary social intervention for corporate social responsibility activities. More education leads to lower empowerment, lower crime, greater earnings, greater civic participation, higher job status and more job satisfaction. OGDCL CSR gives utmost significance to education to promote an enabling environment between local communities and OGDCL generally as a responsible corporate entity.

In this regard the management of OGDCL decided to launch a scholarship program on need basis for the students belonging to OGDCL operational areas at cadet colleges of Pakistan.

Initially the project started with six cadet colleges (Petaro, Sanghar, Ghotki, choa Saiden Shah, Hassan Abdal & Kohat, whereas Military College Sui is expected to join the noble cause in near future). As a result 38 students from underprivileged backgrounds are getting scholarship for 05 years in order to complete their studies from class 8th to 2nd year. Estimated cost of five years scholarship for 38 students is 64 million out of which 11.93 million has been paid as first installment for FY 2017 – 2018 to aforementioned cadet colleges.
