

OGDCL Scholarship program with Engineering Universities through Higher Education Commission (HEC)

The project was initiated with the objective to encourage and provide an opportunity to the talented students belonging to OGDCL operational areas. The scholarship provided to the students of engineering discipline which includes "Tuition fee, lodging, transportation, books etc.

MOU between OGDCL and Higher Education Commission (HEC) for 02 batches of 65 students (each) was signed on 21 December, 2016. The Program is focused on providing opportunities for access to higher education, especially to destitute candidates belonging to underprivileged background from operational & concessional areas of OGDCL who, despite possessing academic merit, are unable to finance their education.

65 Students for 1st Batch from OGDCL operational / Concessional Districts were selected by Higher Education Commission (HEC) selection committee for regular program. Admissions to apply for OGDCL need base scholarship 2017 for selected engineering universities are open.
